Carol -

I guess I'll miss
you most of all. I've
had so much fun know-
ing you this year. Mr. Chas-
will probably miss us
too. You are a really
sweet girl - I hope
you make as much fun
in your senior year as
I have.

Good luck always

Love ya!

Carol -
Best of luck to a
girl who I admire and
respect very much.
Sweet you are a real
sweet girl and you have
a lot of consideration for
others. Keep it up and I
hope to see you in the
squad. Always
may and be sure - I will
see you then. Love

For You, "Pops" . . .

One of the jobs we seldom think about is that of keeping our school clean and beautiful. For this, we are grateful to all the men of the maintenance staff, but this year we are "taking our hats off" to Mr. "Pops" Redmayne.

He is a friend of the students; always greeting them with a cheery "hello," a warm smile, or a friendly . . . slap on the arm. He is also a friend of our seagulls, and greets them with food at the end of the day.

Robert E. (Pops) Redmayne

We thank you, Pops, for your friendship and your help.

Respectfully, the Aquila Staff of 1966 dedicates this yearbook to you.

Dr. Nelson
Principal

High school years are years of growth both physically and mentally. We hope that Sunset High School has substantially helped in that growth.

In growing into responsible free people, you have found it necessary to be able to speak and write precisely, to examine human values, to understand some basic elements of your own society and finally, to develop a deeper insight into your own self.

Your mind will continue to grow as long as you live. Will you nurture it with the best or the worst that our society has to offer? The crippled mind will feed on the worst of our press, radio, television or films. We trust that you have developed the capacity to sift the untrue, the dowdy and the mediocre from mass communications media as well as other pressure groups that seek to influence you. Hope, in our world, lies in your choosing the honorable, the decent, and the true, in the years ahead.

Nels B. Nelson

Nels B. Nelson
Principal

Vice-Principal . . . Mr. Taioli

Assisting Dr. Nelson in an administrative capacity is only part of Mr. Taioli's job as Vice-Principal. He is also in charge of inservice training for certified personnel. Part of his job is to prepare the budget and direct the taking of the annual inventory. As Vice-Principal, Mr. Taioli is responsible for the classified personnel and he is in charge of originating supervision assignments for games, plays, dances, and other school activities. He also arranges transportation for students. Mr. Taioli is chairman of the Curriculum Committee and serves as a member of the Administrative Council.

Miss Rachel Gillespie
Dean of Girls

Miss Rachel Gillespie, Dean of Girls, has her office open at all times to girls who want to come and discuss their problems. She gives advice to the girls, helping them to adjust to their school environment and to solve their problems.

Also, she serves as Chairman of the Scholarship and Awards Committee and is a member of Administrative Council. Her other duties include supervising games, plays and other school activities.

Dean of Boys
Mr. Wallace Copeland

The main concern of our Dean of Boys, Mr. Wallace Copeland, is to help students become adjusted to their school environment. In doing this, he works closely with teachers and parents. He assists in the registration of new students by discussing school policies and traditions with them. Other responsibilities of Mr. Copeland include car registration, being advisor to Boy's League and Representative Assembly, and being a member of Administrative Council.

Counselor's Message

For four years we have tried to help you know yourselves, understand yourselves, and reap the most benefits from being at Sunset High School.

We have tried to help you know and understand the world you will live in as an adult.

We hope we have helped you to understand the relationship between what you learn in school and the demands you will meet after graduation.

Your world will be complex, confusing, and constantly changing, but you will contribute toward its improvement.

"Happy is the soul that has something to look forward to with pride, and something to look forward to with hope."

—Rev. Oliver G. Wilson

Sociology, formerly known as family living, offers senior students a chance to study themselves and the complexities involved in establishing a family. Human growth, engagement, marriage, and parenthood are the main courses of study.

The last semester of social studies in high school is the course in American Government required by law. Students must pass this course in order to graduate. The free exchange of ideas and opinions is strongly encouraged. More attention is directed toward the theory and practice of communism, rather than state and local government.

In the Junior year of social studies the main objective is to teach more about the history and the current problems of the United States. This course is required for graduation by state law. Also, time is devoted to investigating the future vocational and educational plans of the students.

The study of current events and problems facing the world today are also considered. Students are urged to voice their opinions in open discussions.

Continued study of world history is the major sophomore activity. The period studied begins with the Middle Ages and continues to the present. A continuing study of current world affairs is also a part of the program.

Teachers use a variety of activities to assist students in learning major facts and concepts.

Drivers Education and behind-the-wheel training are studied during the first part of the year.

The first six weeks of the Freshman year in social studies are spent in orientation. This consists of acquainting the students with school rules and regulations, staff, curriculum, social activities and the building and grounds. The remainder of the semester is devoted to a brief study of world geography. The second semester is spent in a study of world history, from the earliest civilizations to the Renaissance Period.

This Is The Class That Was

Here it is our Senior year and almost over at that. It is hard to believe that 4 years could go by so quickly. What a wonderful four years they were, too! Now that they are almost over, all we can say is "That's what happened . . . wasn't it fun!" We now have to look to the future and make it a success.

As I look back on our four years, the first thing, as Freshmen, that we did was attend Freshman Day. The Student Body President told us what Sunset was like. It was a big change from Junior High School. He told us what was expected of us and how we could get ahead at Sunset. The thing he said that stood out most in my mind was that these would be the fastest and most exciting four years of our lives. I just couldn't believe how fast they would be.

Our Freshmen class officers in that year were: President, Gary Silva; Vice President, Larry Aguiar; Secretary, Louise Mello and Treasurer, Kathy Koehler. Our Football Spirit Queen was Nancy Caruso. In our first formative weeks at Sunset, we tried hard to put together our first Spirit Week, but we didn't do as well as the Juniors who took first place—we made last place.

Then came the basketball Spirit Week. Our mascot was Sam Abbate whom the Freshmen class chose to be our Freshman "Trojan." Well, we took last again but we never had that distinction again.

Our President, Gary Silva, said that the funniest but most aggravating project the Freshmen took on was the Pizza pie sale. The idea was to sell pizza at the school carnival. To begin with, however, they arrived raw so they had to be cooked in the home economics rooms. This was all right, but the sale was not as tremendous a success as we hoped for, so we sold them at the dance that night, at lunch the next day and, finally to the teachers. At long last they were gone. When I asked Gary if there was something I could quote him on, he thought awhile and then said, "We tried."

In our Sophomore year, the spirit of the class was turning for the better. The class officers were: President, Andrea Seaman; Vice-President, Nancy Caruso; Secretary, Debbie Magder and Treasurer, Dianna Whitaker. The year started off with a real bang for we took second place in Football Spirit Week with our queen Louise Mello. We now showed the other classes that we were here to stay. We had a successful dance and several car washes that earned some money for our class.

I never will forget our Sophomore show that featured a boy-girl Can-Can Dance—it was wild! Then there was Basketball Spirit Week. This I will never forget either, mainly because I was the "Cannibal" mascot and we took FIRST PLACE. Our Theme Was Sophomore cannibals who were "hungry for victory." Our class was great and we showed the other classes who was boss.

The following year, as Juniors, our class leaders were: President, Will Silva; Vice-President, Steve Spivey; Secretary, Beth Johnson; and Treasurer, Lillian Castilean. In our first Spirit Week as Juniors, we placed second with Donna Lawrence as our Spirit Queen. Maybe we were just a little over-confident. Our next Spirit Week, we placed second behind the "Screaming Sophomore Shieks" as Ray Taylor, our mascot, was our "little ol' Spirit Maker."

It was just approaching the rainy season and Junior Class President Will Silva came up with the idea of having a car wash. Well, now, with the time and place all set, just a small technicality came up—he forgot to have the date approved by Administrative Council. (Administrative council tabled the request until past the tentative date.) Finally, a time and date were set and all channels said "Go." Now the inevitable happened; it rained. So, the car wash was postponed. However, after about three months of trials and tribulations, the Junior Class of '66, with approximately ten girls and poor ol' Will, the only boy, had a pretty successful day of washing cars.

Now comes the night of the Junior Prom. We believe ours must have been the finest one of them all. We can thank the Senior Class of '65 for the wonderful Prom they gave us. We, in turn, gave the Senior class the very best Senior Ball that Sunset has ever had. According to Mr. Johnson, Director of Student Activities, "We must go all out and not skimp on the Senior Ball." You can believe us when we say it was the best ball Sunset has had.

Now we have turned the corner and are heading into our Senior year. This year, officers are: President, Steve Geitz; Vice-President, Carol Benedetti; Secretary, Cheryl Moser and Treasurer, Judy Dides.

Our first Spirit Week this year was another tremendous success. With the assistance of our Spirit Queen, Lillian Castilean, our theme was "The Super Class of '66" sung to the tune of "Supercalifragilisticexpialidocious." For the second time in our class history, we won first place. We have one more to go and I am sure we'll come through with flying colors.

Besides all of the fun and work the class of '66 has done in the past, we still have many things to accomplish this year. As I write this, we are busy planning the Senior Show and candy sale. With the success of these projects, together with a class dance and various concessions, we plan to have **the best** Senior Ball that Sunset will ever have, and one that will be remembered by everyone throughout the coming years. Plans will be made for the Junior Prom for the class of '67, plus the Senior breakfast, picnic and many other Senior activities.

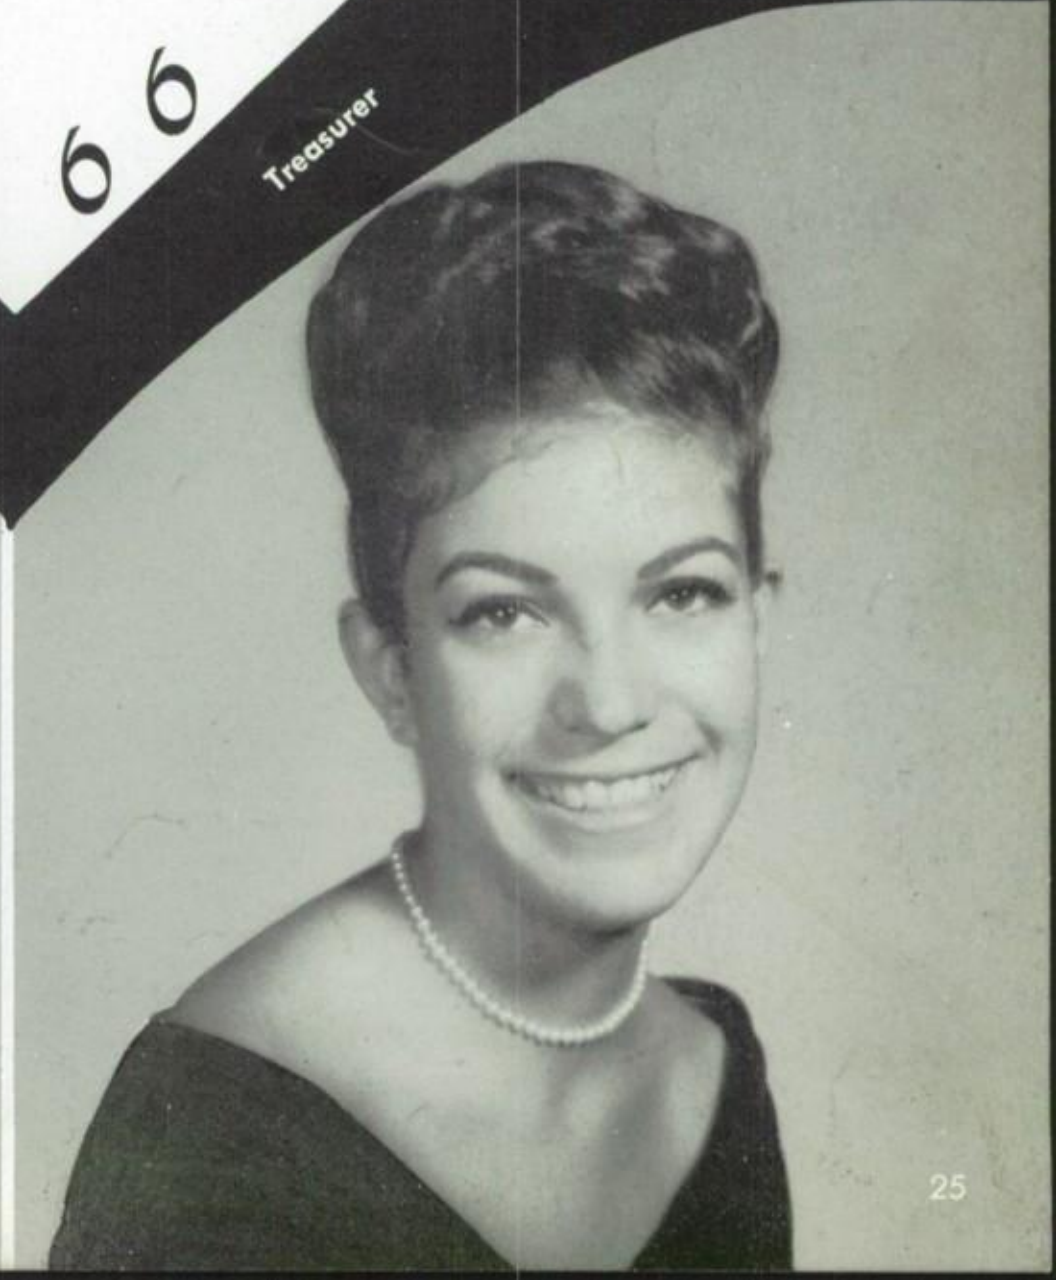

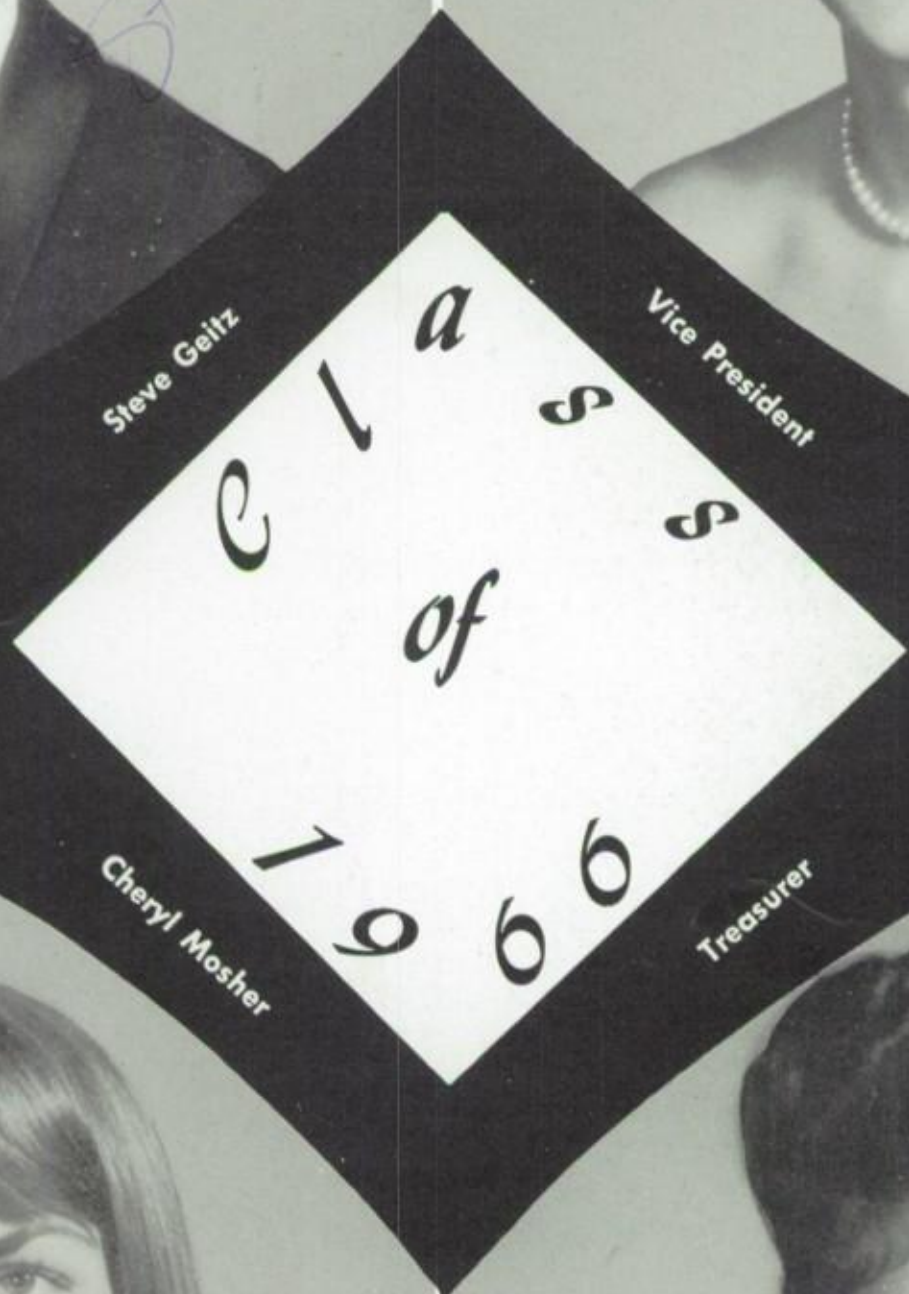

I have been able to cover only a fraction of all our Senior Class events, only the high-lights; but I am sure you all have your own memories. I hope they have been happy ones, for now that the most important four years are behind us, all we can do is profit from our mistakes and remember all the good things that have happened to us. We have our whole lives ahead of us and what each person makes of it, he'll make it on his own. Good luck to you, Class of 1966; you have earned it well.

CLASS HISTORY

In 1963, the members of the Class of 1967 entered Sunset. During the Football Spirit Week, the very spirited Frosh were led to 3rd place in the competition by Spirit Princess Barbara Culbertson. When basketball season arrived, the "Purple People Eaters", led by mascot Marion Guidici, placed 4th in the Spirit competition. The Frosh officers were: Pres.—Jerry Roberts, Vice-Pres.—Laurie Wennerstrom, Sec.—Kathy Baker and Treas.—Jim Wilhelm.

During Football Spirit Week, 1964, the Sophomores displayed their motto, "Roar with Soph." on many posters around the campus. Mary Buretta, costumed as a lion, served as the class mascot. Led by Spirit Princess Laurie Wennerstrom, the class placed 4th. The defeat aroused even more class spirit. At the basketball Spirit Rally, the cry "O, Mighty Sheik" was raised by the Soph. as their mascot, Gary Light, costumed as an orange genie, was carried into the gym inside a "magic lamp". Because of their great spirit, the class was awarded first place both in spirit and skit competition. The officers of this spirited class were: Pres.—Craig Nikitas, Vice-Pres.—Phil Rinker, Sec.—Sue Tocchini, and Treas.—Leta Venter.

During Football Spirit Week, 1965, the Juniors were led at their rallies by Spirit Princess Diane Rose. At the dance, "Spirit Daze", which was sponsored by the Juniors, they were awarded 3rd place in the competition. Other activities this year included a Donut Sale on Nov. 12, participation in the Basketball Spirit Week, the Junior Prom on March 18 (the theme of the Prom was kept secret until that night), and a booth at the Carnival on May 13. The Juniors, following the tradition set by past Junior classes, sponsored the Senior Ball on June 3. The officers this year were: Pres.—Dan Marin, Vice-Pres.—Jay Bjerkan, Sec.—Michele Carson and Treas.—Nola Hundoble. Class advisors were: Mr. Frye, Mrs. Nolan, Mrs. Chin, Miss Thompson and Mr. Uhler.

CLASS HISTORY

The total enrollment of the Sophomore Class on September 13, 1965, was 509 students.

They found their leadership their first year in Phil Padilla, Kathy Johnstone, Chris Lopez, and Darlene Preslar.

This year they elected Chris Silva, Rafael Morillas, Lynda Kalagorgevich, and Pat Rose.

In their freshman year, they placed 3rd during football Spirit Week. Their princess was Lois Perme.

During the past Spirit Week, their princess, Lynda Kalagorgevich, helped them to win 2nd place in competition.

They presented our Halloween Dance on October 29 which had a great turnout.

The advisors who helped them through the 1965-66 year were: Mr. Swenson, Mr. Leach, Mrs. Sofer, and Mr. Roesler.

Autographs of My Favorite Sophomore Friends . . .

Carol,
I really wished
we would have had a
class together this year,
at least last year we had one.
I've known you for such a long time
(4 years at least) and now we'll part. May
I wish you the best of luck in the coming
years and that you acquire your many goals.
Have a real fun summer. My new address is
1504 Winchester Avenue, Glendale.
Love,
Kathryn

CLASS

OF

FROSH

FRESHMEN

Jon Sylvester, President

Beverly Davilla, Vice President

Martha Otte, Treasurer

Terry Osborne, Secretary

On September 10, 1965, incoming freshmen attended an assembly in Sunset's cafetorium. At the assembly, rules and regulations were explained to freshmen and programs were given out.

Giving the freshmen their first look at high school social events was the "Falcon A-Go-Go" dance sponsored by the executive council on September 17.

On September 30, the Big Sister Tea was sponsored by Girls' League; freshmen girls were served refreshments of punch and cookies.

Football Spirit Week offered the freshmen their first opportunity to show their class spirit. They elected Becky Rodrigues as their Spirit Princess and placed 4th at the spirit rally, Friday, October 6.

Final organization of the class took place on February 9, with the election of class officers. They were: Jon Sylvester, President; Beverly Davilla, Vice President; Terry Osborne, Secretary; and Martha Otte, Treasurer.

Basketball Spirit Week, brought the freshmen 3rd place at the spirit rally February 4. They displayed their spirit as the Purple Hearts of '69 with Terry Osborne as their class mascot.

The freshmen enjoyed a successful first year at Sunset.

Freshman Orientation

September 10, 1965

Incoming Freshmen are presented with Sunset's educational and guidance philosophy on Freshman Orientation Day. Dr. Nelson and Mrs. Carmen discuss these concepts to help the students feel more at home in a new school atmosphere. After the general meeting in the Cafetorium, students visit each classroom for which they are scheduled, and meet the teachers with whom they will be working during the next school year.

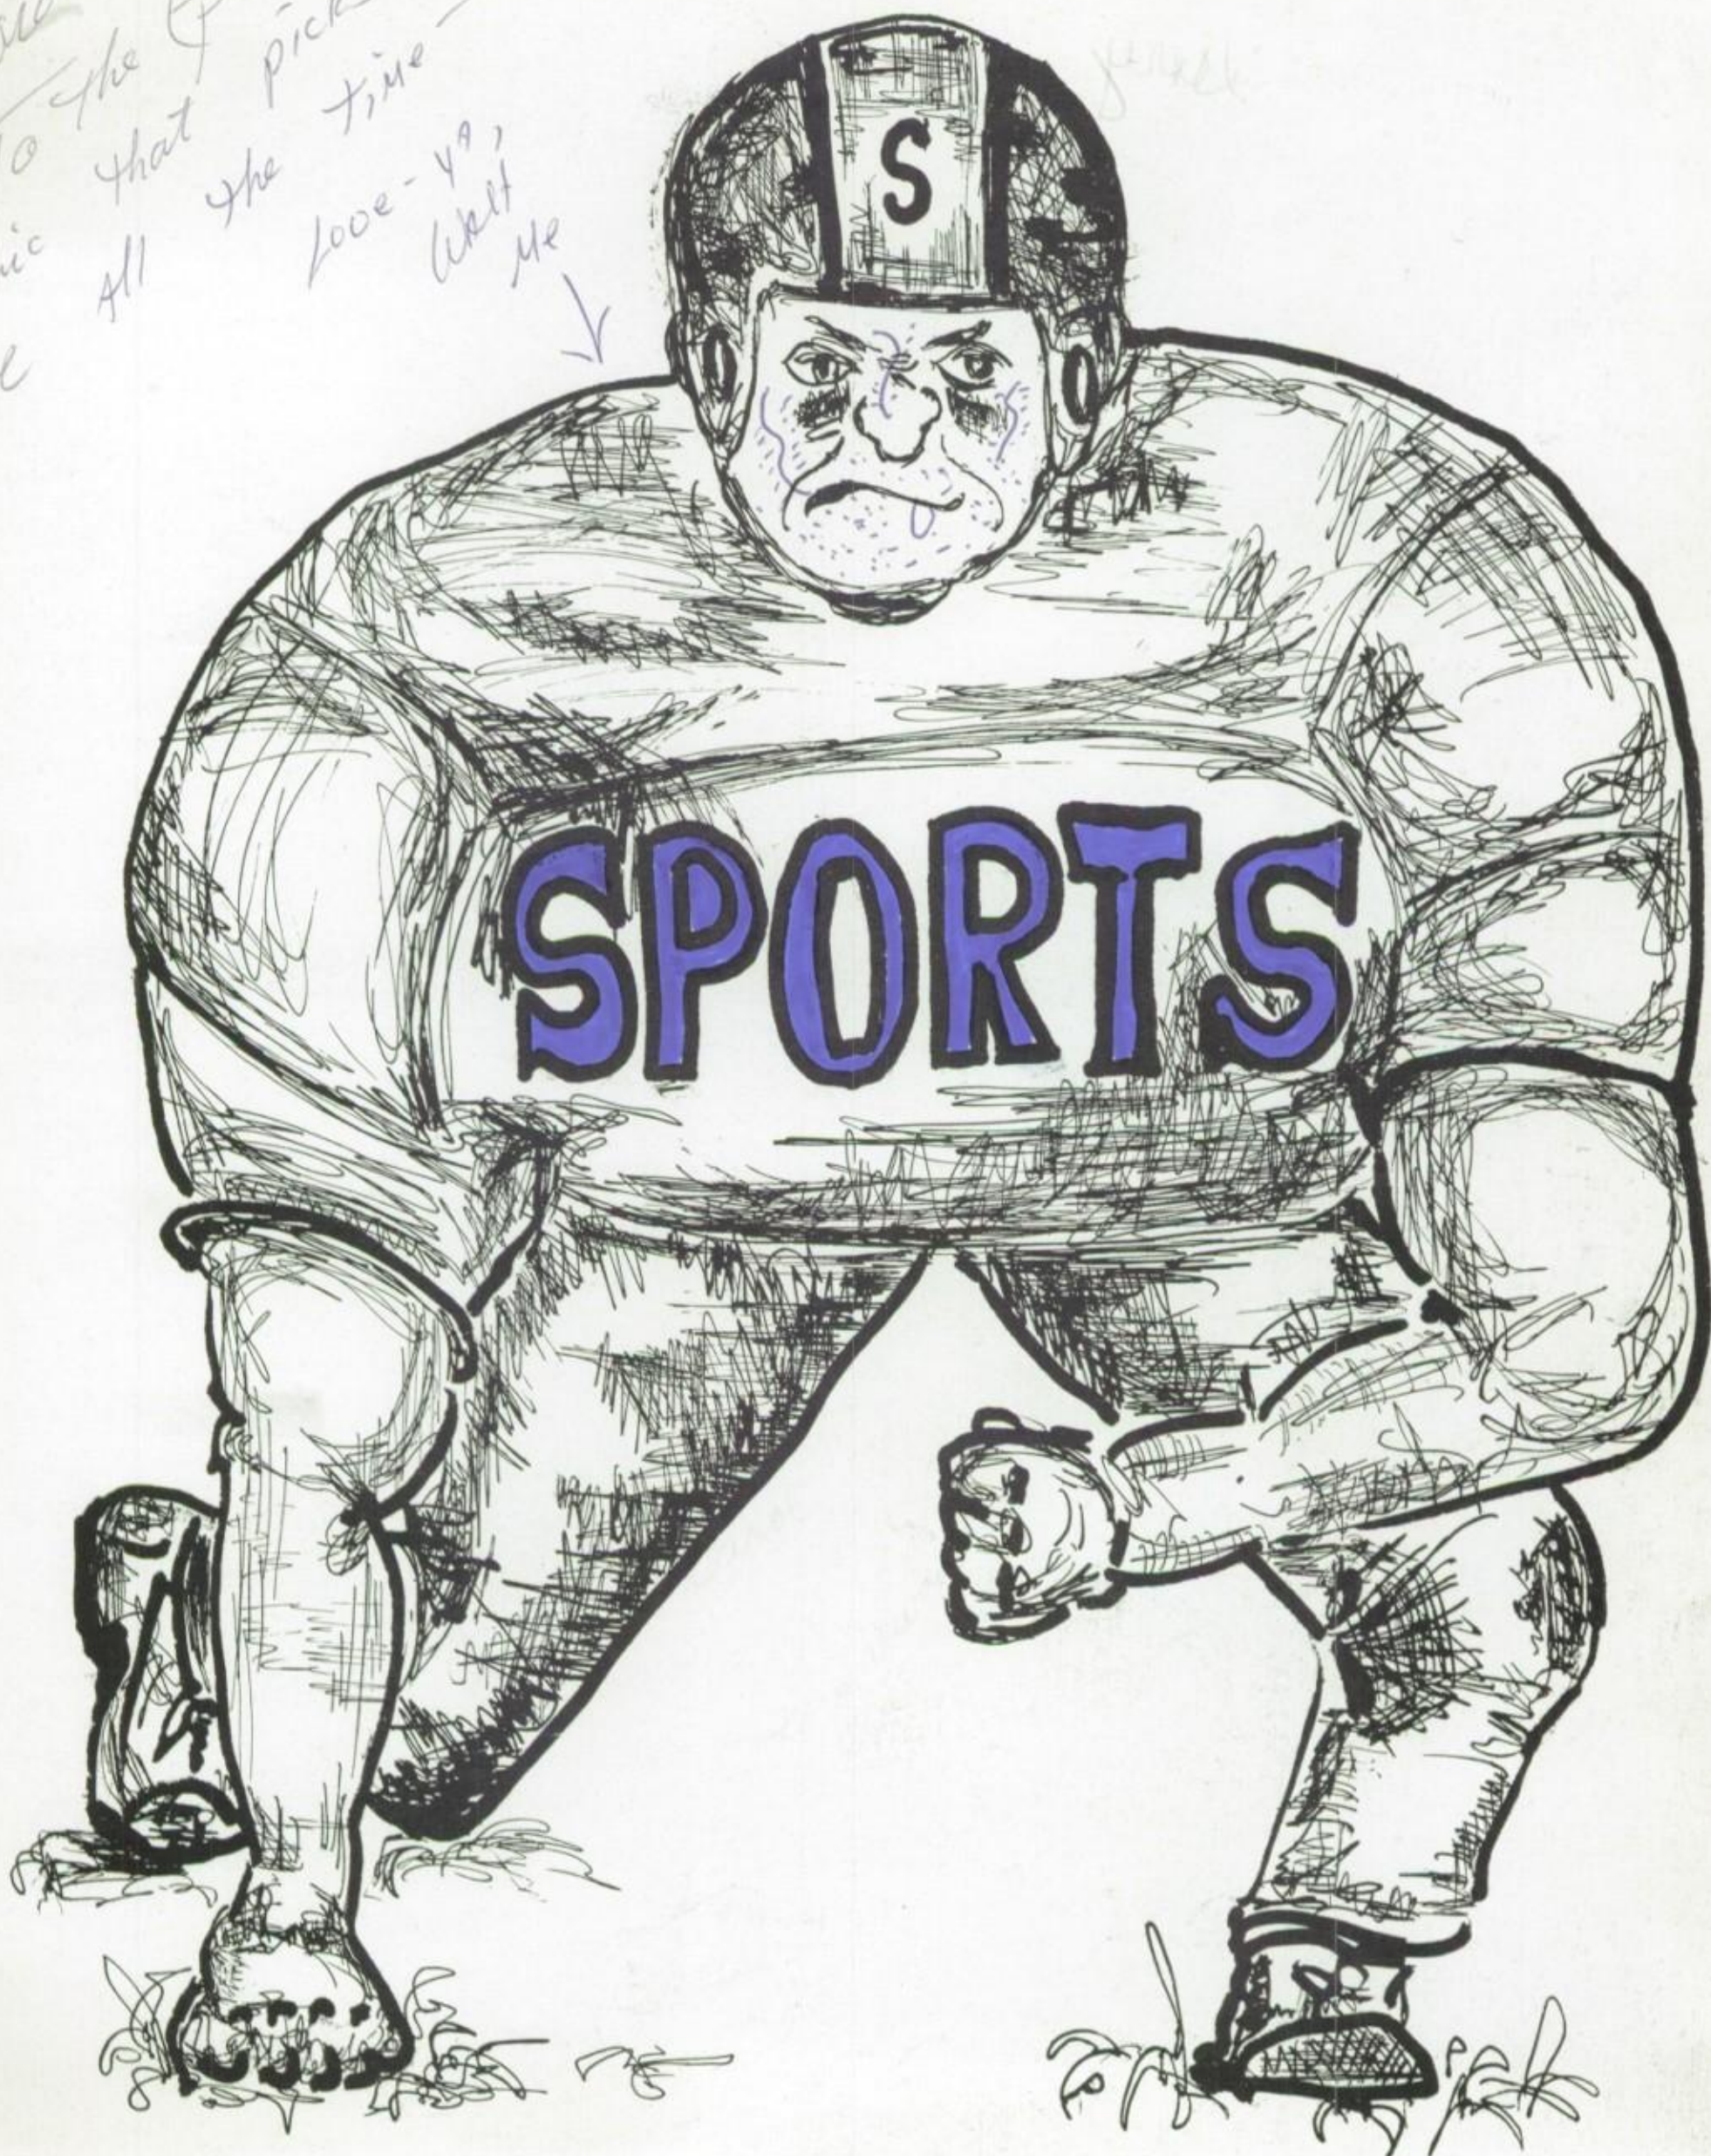

ABOVE: Mrs. Carman shares stage with student leaders.

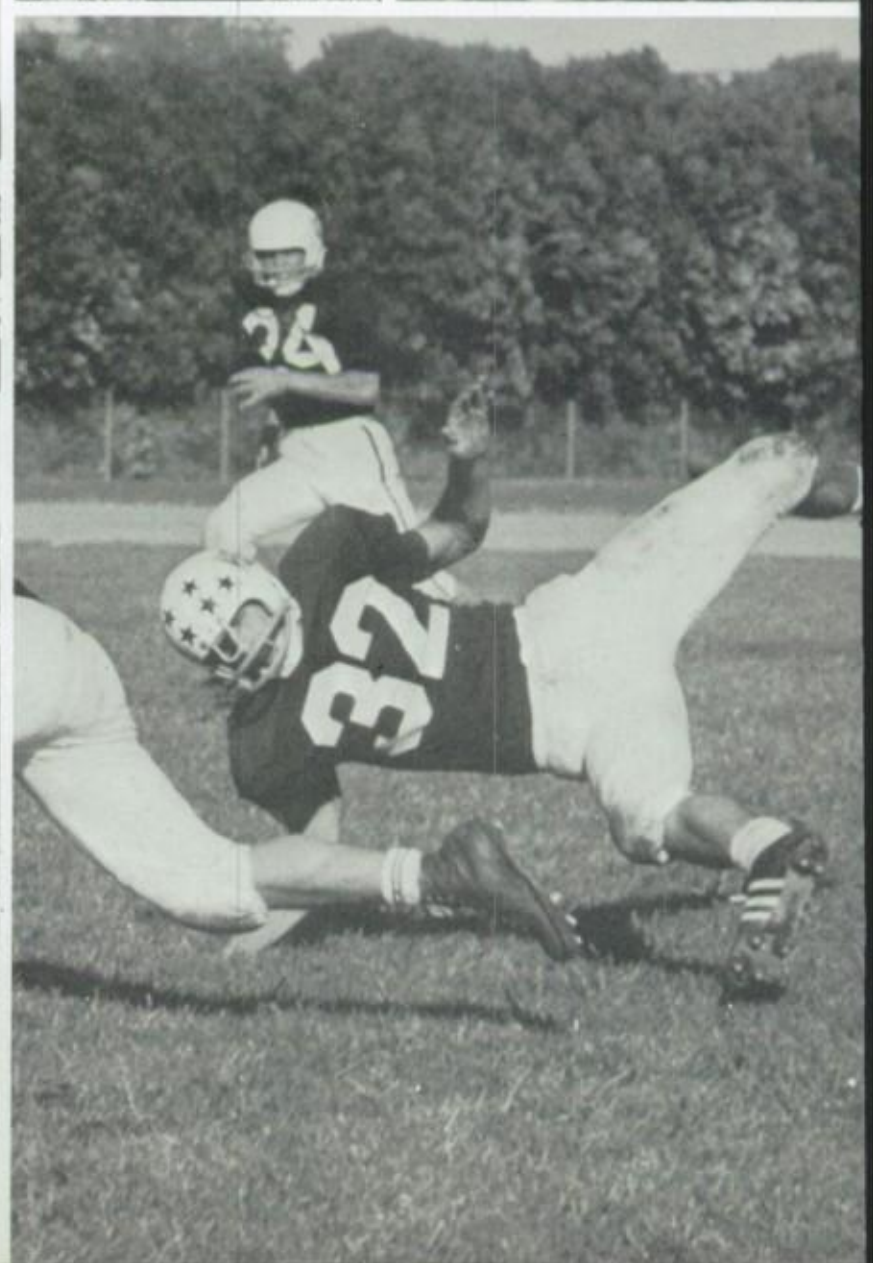

RIGHT: Interested Freshmen wait for more entertainment from Sunset's Song Girls and Yell Leaders.

Sunset vs Hayward

Sunset defeated Hayward in a victorious Falcon win and a grave Hayward upset.

Dean Gerstel proved to be the star. He scored 3 touchdowns after being out for part of the season with a shoulder injury.

Hayward's boys played well but our team was set to win over the powerful Farmers.

The spectators were breathless as the Farmers made their last attempt to boost the score. That final play; however, was not good enough — the score stood, 27-26.

Sunset vs San Lorenzo

Sunset's varsity was defeated 7-6 by the San Lorenzo Rebels.

The Falcons moved well against the Rebels in the first half; scoring their only touchdown in the second period on an interception by junior defensive linebacker John Machado.

Machado, ran the interception back 35 yards to pay dirt. An unsuccessful wind-blown conversion try by quarterback Dusty Manning ended the half with San Lorenzo behind 6-0.

Sunset vs Canyon

Sunset lost its first league game to Canyon High in a 7-6 cliff-hanger.

To re-enact the game, Canyon scored quickly within 5:33 remaining in the first period. The conversion attempt was successful and Canyon led 7-0.

In the fourth quarter, Steve Spivey recovered a fumble. Despite his injured arm, Spivey has remained in the lineup aiding the Falcons' '65 Campaign.

Late in the game Don Turpin touched pay dirt with a 2 yard plunge. As the clock ran out, the score remained 7-6 in favor of Canyon.

Sports

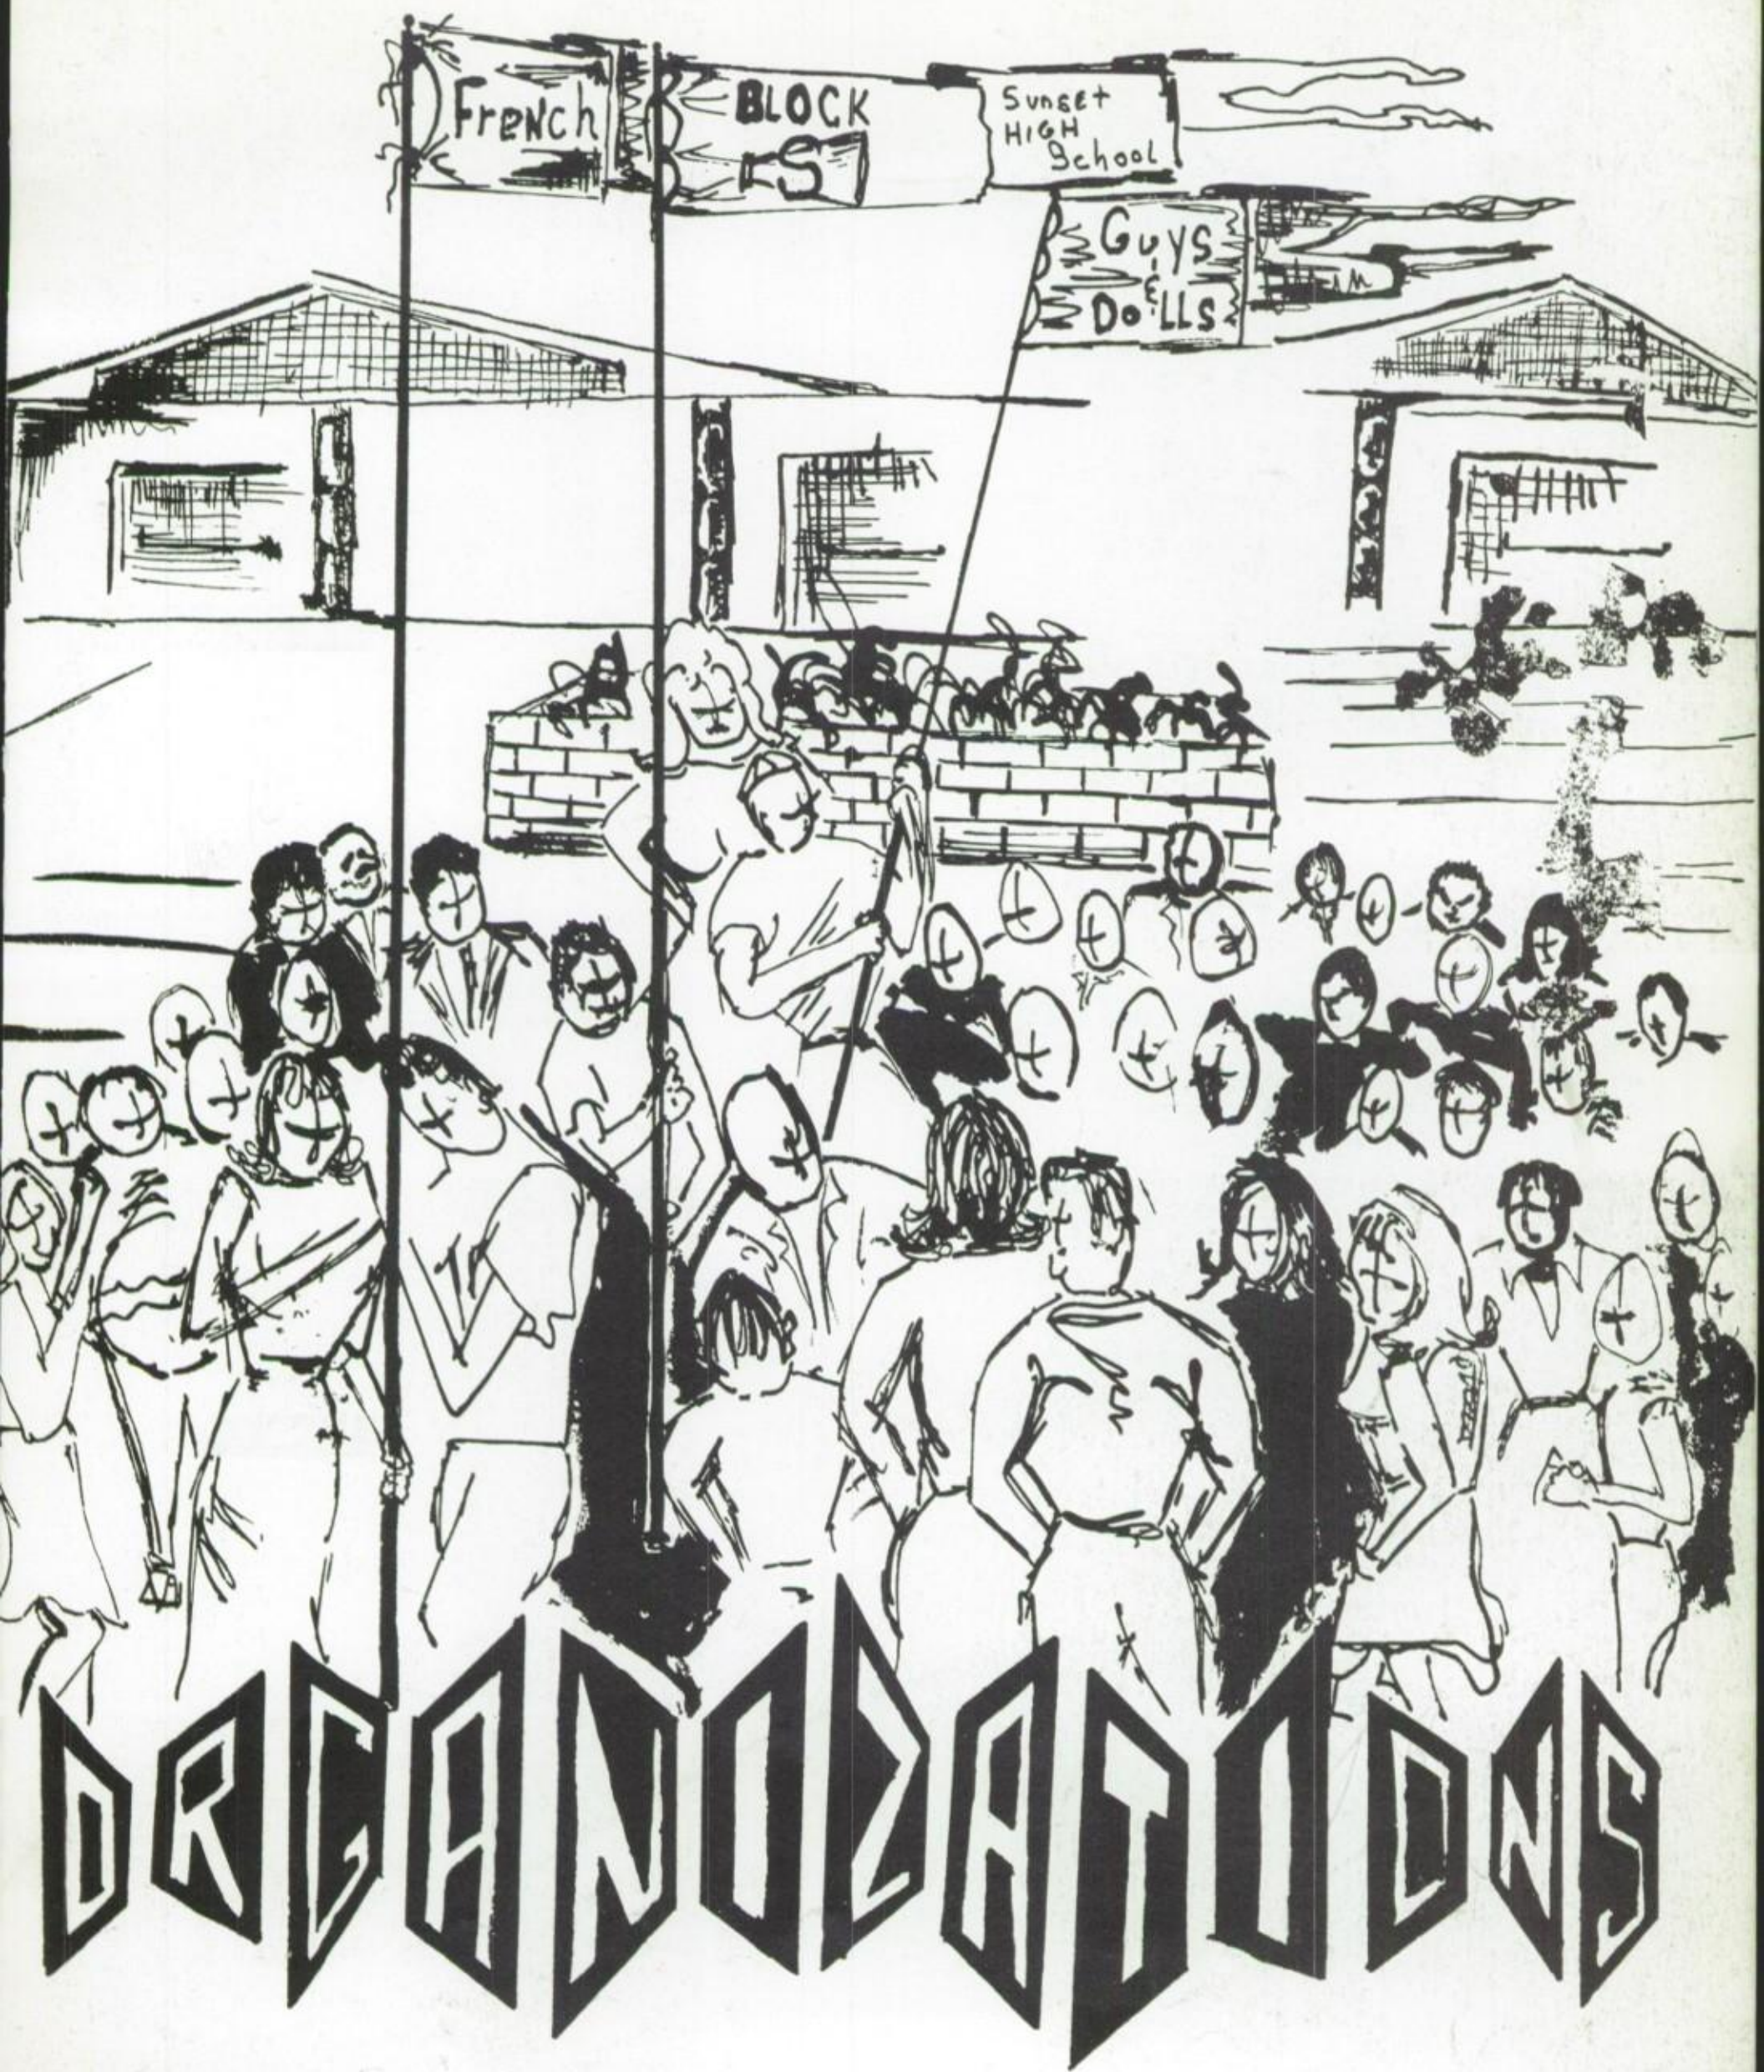

Each year, the Girls' League of Sunset High hosts members of the various athletic teams at an Awards Banquet. Honored at the banquets are participants in football, cross-country, basketball, tumbling, wrestling, baseball, track, tennis and swimming. Players are recognized for outstanding ability and improvement in their fields. Girls' League President and the Spirit Queen help with the presentation of the awards.

Sunset Girls League

Girls' League is an organization whose purpose is service to Sunset High School. Its membership list includes the name of every girl who is a student here. An executive committee composed of officers, committee chairman, and representatives from each social studies class plans and organizes the many events on the year's calendar, then carries the information back to each girl and invites those interested to participate. The year starts out with the Red and Gold Big Sister Tea, a welcome to all new girl students. Other events include serving at the Sports Award Banquets, conducting the all-school Friendship Week, presenting a fashion and dance assembly, participating with the P.T.A. in the Spring Salad Bowl Luncheon, and taking part in the carnival. Money raised by operating the concession booth at athletic events, sponsoring dances, and conducting the carnival booth is used for scholarships awarded to girls planning to attend college.

Members find a great satisfaction in being part of school activities, promoting school loyalty, and serving wherever needed.

A Cappella

A Cappella choir is a part of the performing organization of the Sunset High School's vocal department. The choir consists of students who have had advanced vocal training, many who will continue their voice and music study after high school.

Performances of A Cappella include Christmas Concert and appropriate music for Baccalaureate Services.

Block "S"

Block "S" was first organized in Sunset's first year. It is a service club that helps the Student Body purchase athletic equipment. Some of their private purchases in the past years have been a wheel chair, bulletin boards, record boards, and wrestling equipment.

Membership consists of any boy who has done exceedingly well in football, baseball, track, wrestling, tennis, swimming, basketball, or cross-country and has earned a block.

All athletic awards are property of the school until the student withdraws or graduates, after which the award becomes the property of the student.

All letters, medals, and other awards presented by the Student Body shall not be altered in any way, nor modified, or changed.

Awards may not be worn from other schools on a Sunset High School sweater.

These rules must be followed in order for a member to keep his sweater.

Drama Club

Drama Club is an organization made up of Sunset High's Drama Class which is composed of juniors and seniors.

In class, the students learn the fundamentals of acting, make-up, costumes, and speech. This year the group presented two productions, **You Can't Take It With You** and **Ramshackle Inn**. Next year, the Drama Club hopes the productions will be even bigger and better.

Drum

Major

Dave Harrington

Sunset's drum major this year is Dave Harrington. Although most people think his job consists merely of blowing a whistle and carrying a baton while marching in front of the band, the job of drum major is an important one. He is in charge of the band while it is marching and he must keep the members orderly, check to make sure everyone is in his correct place and get the band organized in straight lines. Also, the drum major blows different sequences on his whistle to start and end the band's marching routine and to instruct the members to make right or left turns.

SONG GIRLS AND YELL LEADERS

To become a member of the song girl or yell leader division of the Sparklers, a girl must have a C grade average, be able to pass a written test on football and basketball rules, have a teacher's certification, originate a routine, and attend all tryouts.

Once chosen, her duties are to attend all Sparkler meetings, lead the school in spirit at the games and rallies, and promote school spirit. Also, she must be in either the Junior or Senior class.

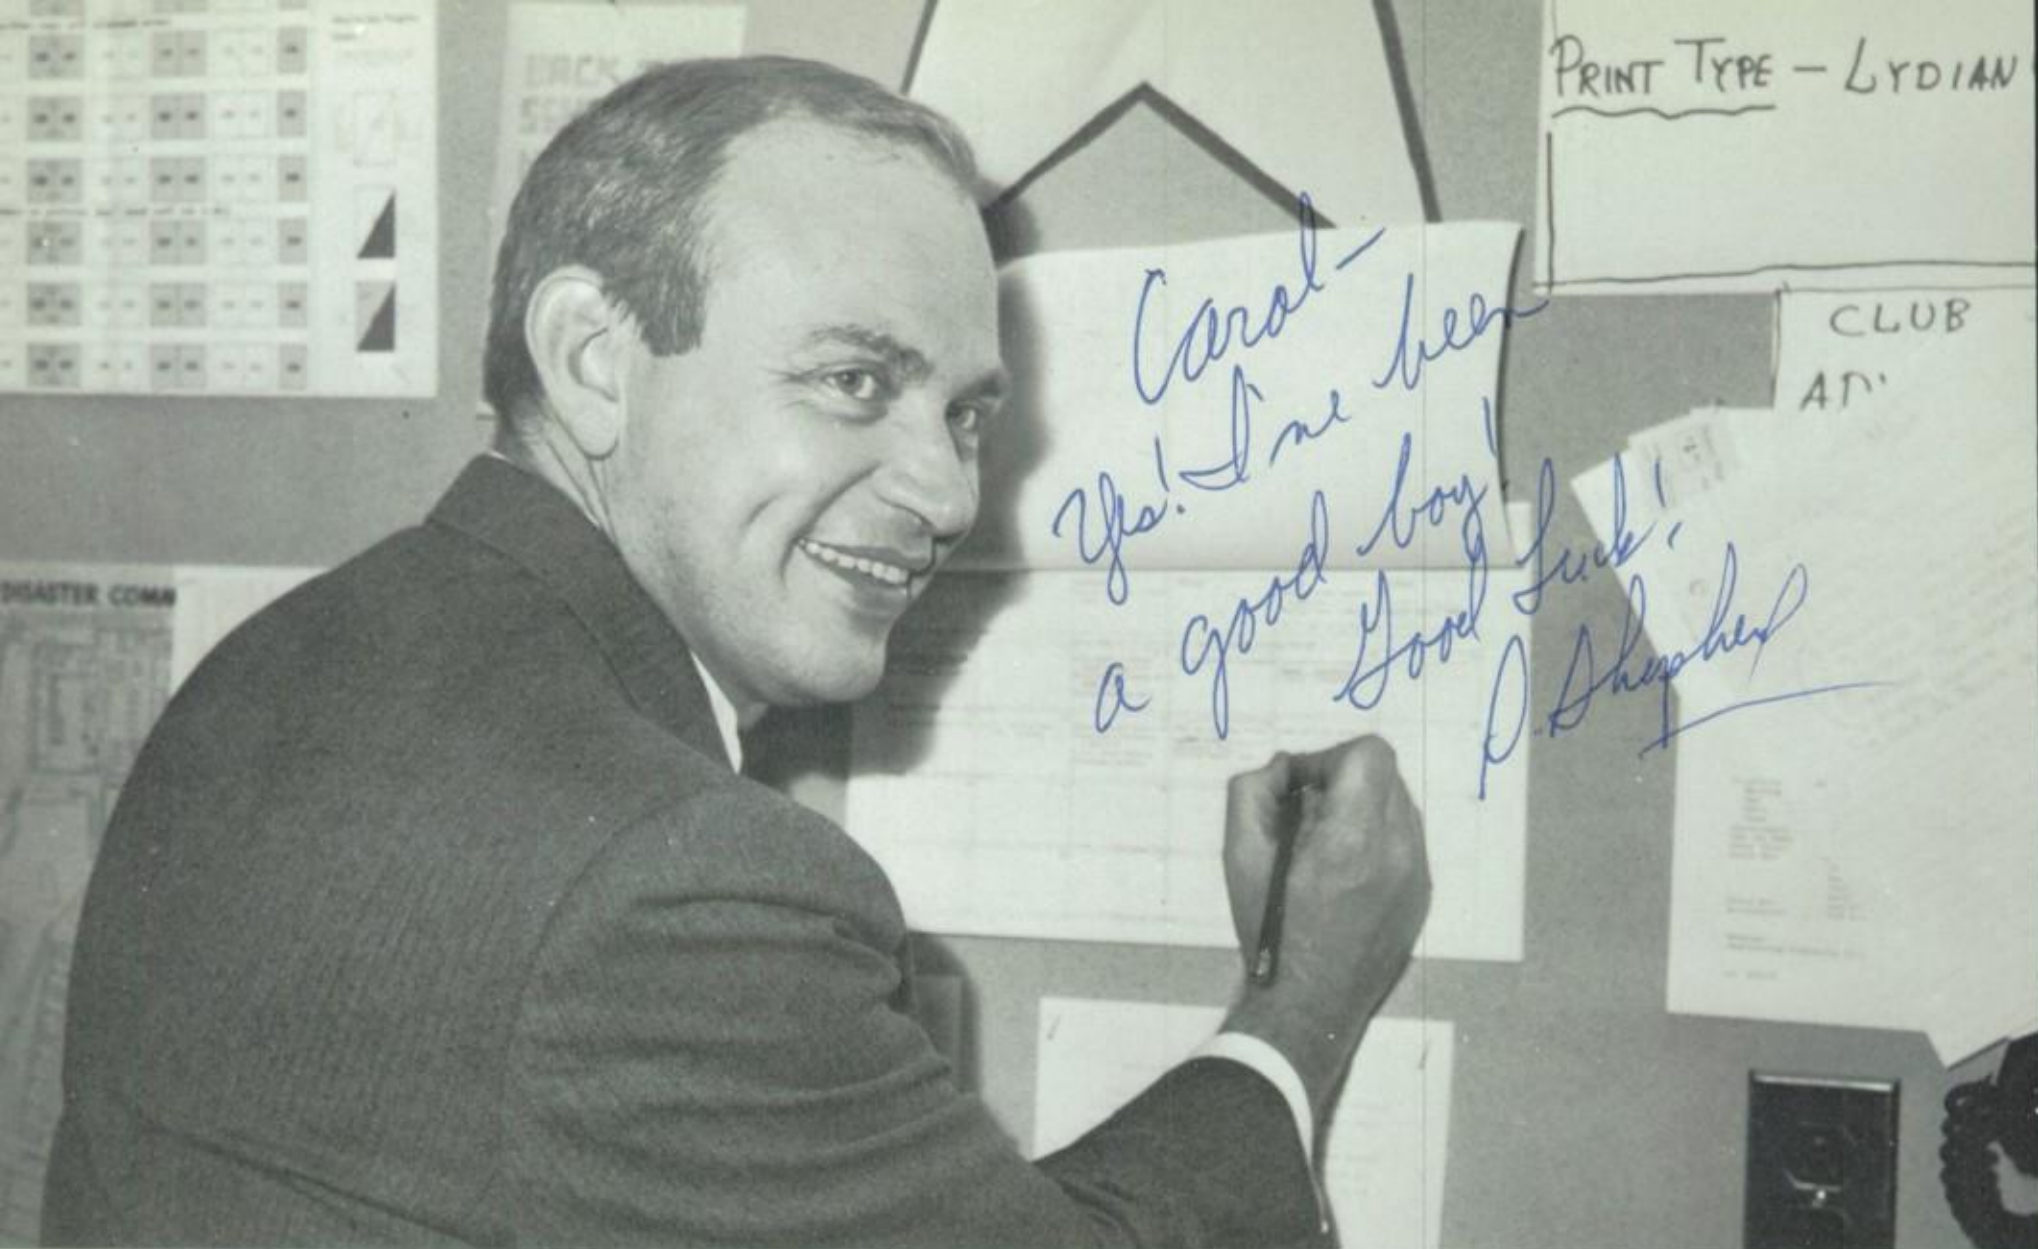

MASCOT

This year the Falcon mascot was Junior, Mary Buretta.

To receive this position in the Sparkler organization, Mary had to write an essay on what school spirit meant to her, take a written football test, and one on basketball, have an interview, and have and maintain a C grade average without any F's.

The responsibilities of school mascot are to attend all games, rallies, to promote school spirit at all times, and to attend all Sparkler meetings.

On October 6, 7 and 8, Sunset students observed one of their many traditions, Spirit Days. The usual week of competition was shortened to 3 days to give more concentrated spirit on October 8 for the game against Arroyo.

On Wednesday, Sophomore Orange and Junior Green displayed themselves via the media of posters, signs and unusual clothing. Before school and lunchtime rallies showed almost unequalled enthusiasm. So opened Spirit Days!

Offering adequate competition the next day were the Freshman Purple and the Senior Blue, emblazoned on garbage cans and far-flung banners which proclaimed the seniority of each group.

Rallies were judged on the basis of use of class colors, the amount of spirit shown, and the originality and organization of the rally.

Head Yell Leader Andie Seaman announced the winners at the Spirit Dance Friday night. The Senior entrant, Lillian Castilean, was crowned by last year's winner, Myrna LaVerne. The Sophomores placed second; the Juniors, third; and the Freshmen, fourth.

Senior: Lillian Castilean, Sophomore: Lynda Kalagorgevich, Junior: Diane Rose and Freshman: Becky Rodrigues.

"They took my picture again, Jerry."

"You're kidding!"

"Act your age, Bernie."

"Wait, the music stopped."

Chris and Claudia discuss the tea.

The annual Red and Gold Tea, known as the Big Sister Tea, was held on September 30, 1965, in the cafetorium during seventh period.

Guest speakers for the tea were: Nancy Horton, Aquila editor; Beth Johnson, Sunset Strip editor; Bobby Harris, Student Body President and Varsity Football letterman. The Hi-Set models gave a fashion show.

Chairmen of the Big Sister Tea were Chris Luchessi and Claudia Camozzi. Decorations were made by the Sophomores, and both Sophomores and Juniors served cookies and punch made by the homemaking classes.

"Sa-a-a-ay Si!"

"Pass the punch and cookies."

The audience pays close attention.

Basketball Spirit Week

The Junior Injuns went on to win the Spirit Trophy in our final Spirit Week of the 1965-1966 school year. They were led by "Chief" Bill Chastain in presenting a skit during which they "scalped" the Canyon Cougars prior to the game between the two schools. Sunset suffered a disappointing defeat despite the great amount of school spirit exhibited.

The Sophomore Spys presented a skit with the James Bond theme which won for their class the Spirit Skit Trophy. Chris Silva portrayed the adventurous "007" and was flanked by five Falconesses. The room was blackened and a spotlight followed them to the center of the room. There they presented their skit in which they "killed" the Cougars.

Back to School Night

October 20, 1965

On Back to School Night, October 20, 1965, a general meeting was held in the cafetorium. The first part of the program consisted of speeches by Dr. Nelson, principal of Sunset, and Mrs.

Ruth Hutchinson, president of the P.T.A. After the speeches were concluded, the parents went through a typical school day. This part of the program was designed to let parents visit their chil-

dren's classes and get acquainted with the teachers. Members of Rally Club were stationed around campus to help direct parents to their children's classes.

You Can't Take It With You

PRESENTED BY SUNSET'S FINE ARTS DEPARTMENT ON NOVEMBER 18, 19

The drama class, under the direction of Mr. Raymond Augustus, presented George S. Kaufman's comedy **You Can't Take It With You**. The authentic stage setting and costumes, along with outstanding acting, made an evening of enjoyable theatre.

TAHITI

March 18, 1966 9:00-12:00

On Friday, March 18, the Senior Class of 1966 presented the Junior Prom. Decorated to create the illusion of a tropical island, Sunset's cafetorium became a "Tahitian Paradise." Miniature palms and thatched roof huts used as table decorations carried out the theme.

Approximately 110 couples enjoyed dancing to the music of the popular "Peter Wheat and the Breadmen."

Bank of America

Beth Johnson is the outstanding student at Sunset this year. She was chosen because of her all-around outstanding record in her four high school years. Beth has held several class offices; she was Student Body Recording Secretary, editor-in-chief of the **Sunset Strip**, and also the delegate for the Governor's Conference last fall.

Pictured at right are the winners in the four general achievement fields. Standing are Jim Stark, who won for the Fine Arts Area, and Carol Benedetti, the winner in the Math-Science area. Seated are Dr. Nelson, who is presenting the plaque to Lillian Castilean who was the Vocational Arts winner, and Beth Johnson who was the winner in the Liberal Arts Area. These four are now entitled to compete with local and East Bay students who also won these same awards in their own schools. The winner in each area wins a grand prize of . . . \$1000.

Achievement Awards

Achievement certificates were presented to these people for their fine work in that general area: Standing, Maria Neves, foreign languages, Eric Olson, lab science, Robert Wilde, social studies, and Kathy Takeshita, art. Seated, Mary Fairchild, music, Gayla Okey, English, Diane Bersagel, business.

The Betty Crocker Homemaker of Tomorrow Award was presented to Pam MacDonald this year. Approximately 30 other girls competed for this honor. Pam will enter another contest with all students from the area who won the same award at their schools. The grand prize is a state scholarship.

Fun Nights

Fun Night, sponsored by the Girls' Athletic Association, is presented twice yearly—once in the fall and once again in the spring.

Fifteen teams, each composed of 5 couples, play against a team composed of faculty mem-

bers. The team of winners from the round-robin tournament receives a souvenir blue ribbon. The fall Fun Night was held on October 15, 1965; the spring Fun Night, March 11, 1966.

Incidentally, Mr. da Silva, the club advisor, was head chef for the occasion which was a great success.

KYA Basketball Game

Pioneering a new activity for schools in the Bay Area, radio station KYA disc jockeys formed a basketball team which travels to various high schools pitting their athletic powers against faculty teams.

On Tuesday, March 15, 1966, the KYA Oneders matched mental and physical skill with Sunsets Faculty Cagers who were coached to victory by John Fekete.

Dressed in Song Girl attire, Mrs. Stiles, Mrs. Poling, Mrs. Harrington, Mrs. Jorgenson, Mrs. Hutchinson, and Miss Gillespie danced and cheered as the fearless Falcon faculty flew on to victory. The final score—KYA Oneders—84; the Faculty Falcons—86.

Jürgen Grosse

This year at Sunset was a wonderful experience for me. I will never forget it. Before I came here, I did not have any idea about what life was like in California. But what I found out surpassed all my expectations. I found new friends and started new activities that I had never thought of before. Everybody was friendly and understanding. I was welcome every place I went. Though it was sometimes pretty hard to do all my duties, I had lots of fun at school. I really enjoyed the extracurricular activities; I like to go to the games and attend the clubs. I was especially fond of the Humanities Field Trips and the Driver Training Program. Time has passed by fast, much faster than I thought it could, so most of this year is gone.

I would like to take this opportunity to thank everybody who helped make this year so wonderful: Dr. Nelson, the faculty members, the students, and especially my last family, the Andersons. I have been very happy with all of you.

Boys' and Girls' State

Carol Benedetti and Bobby Harris, both seniors, were Sunset's Girls' State and Boys' State representatives this summer. To be elected both had to be physically fit, be a political leader and have an interest in government and community activities. The recommendation of their counselors and two teachers was needed.

This week-long affair was held at the University of California at Davis. Each person who attended was taught about city, county and state government. All students who attended were running a "model government." They were divided into groups by dorms with each group representing a city. These cities met each day and were faced with the problems of running a government.

Bobby Harris

Carol Benedetti

Students had a chance to participate in State government by running for city and county offices. Political parties were formed, and rallies and speeches were given by candidates after primary elections for office were held.

Bobby was elected a senator in preliminary elections and Chief of Police of Hayward. Each candidate running for an office was nominated and elected by a ballot vote.

Recreation for the girls consisted of swimming and volleyball. For the boys, football, basketball, and track filled the recreation agenda.

hallway through which
memories will pass

Memories of these students.

Capturing 76 percent of the votes from an audience of about 50 students and teachers, the negative were triumphant over the affirmative, sophomore Greg Dominici and Jim Lambden.

Stating their reasons why the U.S. should withdraw from Viet Nam, the affirmative stressed, "It is impossible to win such a war," while the negative rebutted their statements with a quote from President Johnson, "We are there because we have a promise to keep . . . and to strengthen world order."

The affirmative then stated their plan—Put the Viet Nam problem before the U.N., then pull out or withdraw to easily defendable positions or key areas. Butch came back with evidence that "The U.S. is one of the main components of the U.N. and the Viet Cong will not negotiate as long as the U.S. is directly involved."

SAUNDERS BROOKS, Marsna Brown, Charles Bostwick, Yvonne Choy, Greg Dominici, Kathy Edwards, Denise Gibbin, Mark Grissom and Jeff Johnson.

The first five points must be in academic subjects, but points are also given for high grades in majors such as business or secretarial work. Life membership in CSF is achieved after four semesters of membership excluding freshman year.

Road Courtesy Makes Safety

With the holiday season bearing down on us, we should give some thought to traffic safety and the safety of our fellow man. This is the time of the year when everyone is in a rush to do his Christmas shopping and his thoughts are not toward preventive accident free driving. Courtesy is the key word to an accident free holiday season. Every motorist would take the time to extend a little driving courtesy to his fellow driver and fellow pedestrian, the accident rate could be cut 25 percent.

The average high school student is a good driver. He has had driver education training. He is young and has good reaction time and has the ability to be the best driver on the road. He must exercise good judgement and drive at a reasonable speed for existing conditions. He must not be a show-off because this shows that he is not mature. If he shows courtesy in his driving, he will gain the respect of the public and the image of the teen-age driver will be upgraded in the eyes of the public. Let us all have a safe and sane holiday season free of accidents and traffic citations.

SUNSET H

A group of students posing on the steps of a school building entrance. The building has "H SCHOOL" visible on its facade. Several students are wearing red and yellow cheerleader uniforms with large pom-poms. Others are in casual or semi-formal attire. Some students are holding flags with "SUN" and "SUNSET" text.
